YOUR **TRUSTED**  
OEM/ODM LADY  
GARMENTS  
**MANUFACTURER**

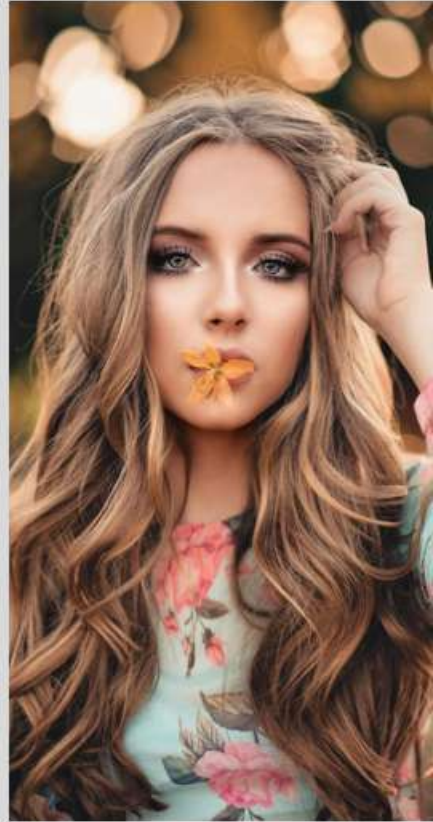

# ABOUT

Established in 1998, ZEAN is a professional large-scale manufacturer of all types of women clothing, integrating development, production and trading together. We have 3 factories which are well-equipped and employs experienced worker and management personnel. Our annual production capability is around 720000 pieces of clothing.

We are located in "The Silk City" Tongxiang City which is the heart of "Yangtze River Delta economic circle". Great location helps us access most of garments resources easily and convenient water, land and air transportation. We can reach Shanghai port/Airport within 1.5 hours.

Zean has rooted in lady clothing business more than 24 years. Zean used more than 20 years to prove we are reliable OEM/ODM lady garments manufacturer, we assisted more than 1000 fashion labels and plenty of independent stylish designer to grow their business & market. As a professional clothing manufacturer we can offer you the real one-stop service, our goal is to help our customers create or extend their high-end fashion clothing brand. We consistently exceed our customer's expectations by meeting their high standards/requests at a competitive price. Our clients are mainly based in USA, Europe.

Our company regards: "reasonable price, efficient production and good after-sales service" as our tenet. We hope to be your reliable fashion apparel manufacturer partner for mutual development and benefits.
